

Essay 3: Persuasive Essay

MAJOR WRITING ASSIGNMENT

- The ability to create a comprehensive essay that informs and persuades is an essential skill. A persuasive essay allows for readers to be informed and persuaded to follow the argument of the writer.
- For this paper you will choose a topic that has two sides. You will pick your side and use academic sources to support your argument, working to convince readers.
- You will need a title page, a references page, and to follow all APA formatting requirements. Accurate grammar is expected.
- You are also expected to have a thesis, no contractions, and to not use any personal pronouns.
